

## COLLECTOR AGREEMENT

This agreement ensures that artwork of Shepard Fairey /OBEY GIANT ART will be owned by a collector that values our principles as well as carry the expectation that the art will become part of a permanent collection. Our goal is to remain accessible and affordable to any and all patrons and by keeping the price of the artwork modest, we attempt to make the experience less intimidating and welcoming for all collectors. We are constantly trying to improve our collector relationship and most importantly, maintain the belief that art can and should be accessible and affordable to everyone. By signing this agreement the collector will exude the spirit of which we chose to sell to the public. We thank you for your much valued support and understanding.
